

Bed And Breakfast With Beta Sigma Phi

The Bed & Breakfast Program is a member-to-member program designed to benefit both the hostess and the traveling member. International functions as an information center only.

Hosting!

To become a hostess, fill out the Bed & Breakfast Form checking the box that says, 'I would Like to Offer Bed & Breakfast.' Turn the completed form in to International with a photograph of your establishment and a brief description of the accommodations and the area. Your establishment will then be featured in The Torch and your information added to the hostess list. When members planning to travel request hostess information for your area we will send them computer listings which will include your name and contact information. It is very important that you let us know of any changes, in your name or contact information, so we can keep the list as current as possible. We will NOT provide them with information about how many you can accommodate, the breakfast you will serve, the amount of the fee you will charge, etc. When they contact you in advance to make arrangements those things should be discussed. We cannot suggest what a fee should be since the location, the number to be accommodated, the breakfast to be served and other factors must be considered. The fee should cover all costs to the hostess but should allow considerable savings from the cost of an area hotel or motel. If you operate a commercial Bed & Breakfast

please discount off your commercial rate to members. And by no means feel tied to this program, but feel free to say no when it would be inconvenient for you to have guests.

Traveling!

To travel with the Beta Sigma Phi Bed & Breakfast, fill out the Bed & Breakfast Form checking the box that says 'I Am Intereted In Bed & Breakfast.' Turn the completed form in to International, listing the individual states, Canadian provinces or foreign countries where you wish to Bed & Breakfast. A complete listing of all hostesses is not feasible as we have so many members signed on. It will be up to you to contact the hostesses on your list well in advance to make arrangements for your visit. You will learn from them if they can accommodate you at the time you plan to be there. If there are members on the enclosed listing that operate commercial bed and breakfast facilities, be sure to mention that you are a Beta Sigma Phi -- they will discount off their commercial rate to members. If no information is sent for any of the areas you request, it is because no members in that area are signed on as hostesses.
